STATEMENT OF UNDERSTANDING (TYPE INITIALS TO THE LEFT OF EACH STATEMENT)

I (and my family) understand all international students are paid salary plus a stipend for lodging and meals by their government (or the U.S.) and require no financial assistance from us.

Every student is a good English communicator and there are English training programs for spouse and children. English is encouraged to be practiced and improved while they are here.

I (and my family) will **not** use the association with this program (Alabama Goodwill Ambassador - AGA) for any benefit other than sharing American experiences with our special international guest(s). **This includes financial gain and/or business transactions, religious proselytizing or improper relations that reflect poorly on the AGA program.**

I (and my family) understand and agree the International Officer School always makes all sponsor-to-student matches.

I (and my family) understand and agree that I (and my family) may be subject to a background check.

I understand there are no automatic renewals for sponsorship; orientation must be completed annually by all sponsors.

Accepting this application does not obligate the International Officer School to accept or retain applicant for service.
